An evaluation summary for each home education student must be filed with the designated participating agency on or before July 1. Home educators filing summaries with School Administrative Unit #53 may use this form to report the results of their child's evaluation. For parents electing school district participation in the evaluation, the appropriate building principal within the district will take care of the necessary filing and will provide a copy of this form to the parents. Parents electing to have an outside evaluation are responsible for filing results on or before July 1.
