

April 11, 2007

Dear Coordinators,

Enclosed are the para brochures that have been in the planning since last year.

We are sorry for the delay.

Please have someone fold before distribution. I know that many schools have a community service program so many they can help out.

The brochures should be distributed to paras and teachers with whom they work. Since it is late in the year, you can determine whether you want to distribute this year or the beginning of the new year. If you need more copies, please let me know.

The enclosed consultant list is up to date. All numbers and information has been verified to the best we could. If a person didn't respond to our email or phone call, they were removed from list since it would probably be very difficult for you to get in touch with them. Extra copies have been provided for principal /assistant principal.

Our last Learning Circle Meeting is Monday, April 16<sup>th</sup>. As we end the new year, please provide feedback about staff involvement and ideas for the new year. You may let your LC rep know or email them Vicki Therrien or Heather Worthen. We will also need to know who the representative for next year will be.

FYI- Due to expressed interest from previous workshop, on May 2<sup>nd</sup>, Cheryl Jorgensen is returning for follow-up hands-on lesson planning session in the SAU conference room. She won't be doing a presentation but holding a hands-on question and answer time to brainstorm lesson planning ideas. Vicki Therrien will also answer questions and model use of technology on as needed basis.

Thank you for your support of the Learning Circle,

*Learning Circle Members*
