

Hello Pembroke Families,

Now that the weather has finally turned, please make sure that students are dressed warmly for recess, with coats, hats, mittens, snow pants and boots. Students are only allowed to play in the snow during recess if they have all of these items. We also need to remind parents to check in at the office and make an appointment to see their child's teacher if they need to talk. We can't allow people to simply head down to classrooms to touch base with teachers when students are in the room, or when teachers are not expecting them. Thank you for your help with this.

The Village School Holiday Concert will be Wednesday December 16th at 6:30 pm at Village School, and the Hill School Holiday concert will be Thursday December 17 at 6:30 pm at Village School. Both concerts are being held at Village School in order to utilize the stage. We hope to see you there. As always, please join us for lunch anytime!!

Have a great weekend,

Ryan Quinn

Reading Counts is a computer reading motivation and comprehension program. This year Pembroke Hill has access to more than 28,000 book quizzes for students. Each month students are recognized at our assembly for hitting certain milestones. As of the end of November we have read 9,293,324 words- twice as many as last year at this time! At the end of each marking period, we'll send home the Reading Counts Wall of Fame to share the levels students have reached.

Dear Parents and Guardians: It appears that the warm weather has left us. Please remember to send your child/children to school with a winter coat, snow pants, boots, hat and gloves. Children should bring either sneakers or shoes in their bags to change out of their boots during the school day. Our intention is to keep our students warm, safe and dry. If you need assistance with winter clothing this year, please contact the school nurse at PVS (Kathy Mayer) or PHS (Jean Picard). Thank you.

CALENDAR
